# GAME TABLE AND STOOL

114

Design : blueroom via afilii - design fit for kids  
www.afilii.de, www.blueroom.ch  
Simply diverging and reconnect: Match seats and tables need blueroom no screws to be stable. They can also be stored quickly disassembled, if needed. Square, round, natural or colored, this furniture collection is made of people with disabilities in a sheltered workshop in Switzerland and encourages children to creative design.
